A Message from KUESAA ...

In the wake of 21st century, in the ever changing scenario of the world environment, we, the environmentalists are realizing our worth. Every industry is opening their door for us, every technological advancement is taking place keeping the environmental consequence in mind, the research institutes around the world are stressing on environmental research. Pollution control, Waste treatment, Auditing & EIA firms are doing brisk business. All these have opened up a whole new promising future for us. But, to take its advantage, we have to be well informed, well connected and well organized. So, we, the alumni of the most distinguished Environmental Science Department in Eastern India must develop a stronger sense of camaraderie more than ever & come together under the umbrella of an Alumni Association.

Be a KUESAA Member : Enjoy the Benefits...

- 1. Free Membership Card** : A KUESAA Membership Card will be issued to you so that you can get all the help from the Association at any point of time regarding your academic & career interest.
